

src/watermarkedtreewidget.h

```
graph TD; A[src/watermarkedtreewidget.h] --> B[QDropEvent]; A --> C[QMimeData]; A --> D[QTreeWidgetItem];
```

The diagram illustrates the dependencies of the header file `src/watermarkedtreewidget.h`. Three blue arrows originate from the bottom edge of the top box and point to the top edge of each of the three boxes below it, indicating that the header file includes or depends on these classes.
